*******Arrival Safety Concerns**

It has been brought to our attention that the arrival of students to school is becoming a safety concern for our students. With the help of our school resource officers, we will work to ensure the best practices are in place to ensure the safety of all the students. Please make note of the following guidelines for student arrival.

Cafeteria Drop off Zone (7:20-7:45)

- Use the lane by the cafeteria doors as drop off only-**NO PARKING!**
- Pull up as far as you can to allow others to enter the drop off zone and not block traffic going around the school including school buses.
- Drop off students until 7:45 only. Staff members will not be opening doors at cafeteria after students are dismissed to class.

Main Entrance Drop Off Zone (7:45-8:00)

- Use the lane by the main entrance doors as drop off only-**NO PARKING!**
- Do not block the lane next to the guard rail. Traffic needs to be able to continue to move around the school.
- Drop off students starting at 7:45.
- Please continue to move in the drop off lane once your child has entered the school. We need to keep the bus lane open for the 8 AM Pre K bus.

Please do not park behind someone and block them in. Please utilize the parking lot by the cafeteria and the area by the shed by the upper playground. I realize this is an inconvenience; however, the safety of ALL students comes first and foremost. The resource officers will continue to assist in the traffic for the next week. Thank you for your cooperation in resolving this critical issue.
